

MORESBY

TOGETHER EVERYONE ACHIEVES MORE

Friday 9th October 2026

Dear parents and carers,

Parent Survey

We currently have a Parent Survey open, and I would be very grateful if you could take a few minutes to complete it.

Your views are really important to us as we continue to work on making our school the best it can be.

You can find the survey here:

<https://www.smartsurvey.co.uk/t/2CYGBR/>

It will remain open until **Thursday 15th October**.

I have been asked to pass on some information regarding antisocial behaviour occurring in and around **Cleator Moor Skate Park** recently. We do not think it involves Moresby pupils, but parents may want to consider whether to allow children to use the skate park unsupervised at the present time.

Thanks in advance for your help with this,
Ross Peacock Head Teacher

A busy week in Class 4

It was visits and visitors left, right and centre for our Year 5 and 6 children this week. On Tuesday, they had some careers advice from professionals across a number of professions through our Dream Big session. On Wednesday, they headed to West Lakes College for the annual REACT Science Show, and on Thursday we welcomed visitors from Kaefer, who ran their Scaffolding the World workshop (pictured) - where the children have to work in teams to build plastic scaffolding-type structures to hold a large inflatable globe!

Each of the sessions went down well with the children, and we thank everyone involved for helping us to provide such a great range of opportunities for them!

Class 1 and 2 trip to the Beacon

Class 4 weren't the only ones with a particularly interesting week, as our Year 1 and 2 children visited the Beacon Museum in Whitehaven. They took part in a "History of Toys" session that will help them with their current "How have toys changed?" history topic. Everyone took part really well, and lots of good learning was done!
